

22nd City Council District

Danielle M. De Stefano (C, I)

Hi. My name is Danielle De Stefano and I am running for the City Council in the 22nd Council District encompassing Astoria, Parts of Long Island City, East Elmhurst, Jackson Heights and Woodside. I am currently running on the Independence line and I am also proud to have received the endorsement of the Conservative Party. I am running because I believe that I am the candidate that best reflects the desires, hopes and dreams of the voters of the district. I am a 4th Generation Astorian and my husband is a child of Greek Immigrants who came to this country to find a better life. The issues that are important to me, and I believe important to all people of the 22nd Council District are Public Safety, Senior Housing and Work Study Programs. I look forward to not only preserving our quality of life, but improving it. I have the dedication and persistence that this task requires. I acknowledge that the task I am undertaking is great. My decision to run reflects my pledge to work for the community I love. So please have a look at where I stand on the issues that affect all of us. I am a mother, a homemaker, a coach and mentor. I believe I can use these and all my other skills to serve the people of the 22nd Council District. I hope I can count on your vote.

Reprinted as supplied by the candidate. Participating in the Campaign Finance Program.
