

ALLAN JENNINGS
Council District 28 Democratic Primary
Video Voter Guide Transcript

I am Allan Jennings.

As your councilman, I provided \$7.5 million for laptop computers for 3rd to 6th grade students in our schools.

The job fairs I held at York College provided hundreds of jobs for our community.

I made sure that every senior center in our district was funded.

I passed into law the suspension of parking meters on Sundays and prohibited racial profiling.

I voted against the mayor's 18.5% property tax increase.

The choice for Queens is clear. The choice for the 28th Council District is even clearer. Queens needs leadership, vision, and someone who cares about both the community and everyone in it.

My name is Allan Jennings and on Tuesday, September 13th vote for me.

Why? Because nobody works harder for you. You want someone that has the proven record of success. As an independent Democrat, I fought the mayor, the governor, the city council, the big banks, and the credit card companies for you. For your property, for your children, and for your families I fought and I will continue to fight for you and our community.

My name is Allan Jennings and on Tuesday, September 13th vote for the man who works for you. Vote for Allan Jennings.
